ABOUT THE AHR EXPO-MEXICO:

Held every two years, **AHR Expo-Mexico** is the premier trade event for the Mexican and Latin American HVAC/R marketplace. Alternating locations with Monterrey, the 2010 Show returns to the World Trade Center in Mexico City, D.F. for the first time in four years.

Over 6,000 contractors, engineers, dealers, distributors, facility managers and other HVAC/R buyers and specifiers of HVAC/R technology look for energy efficient products, sustainable technologies and dependable suppliers. And with over 350 leading manufacturers displaying thousands of the latest products, this is THE "must-attend" event of the year.

AHR Expo-Mexico is the only trade show in Mexico that can boast the sponsorship of such prestigious industry organizations as ASHRAE and AHRI. In addition, the producers of the **AHR Expo**, the world's largest HVAC/R exclusive event held annually in the United States, also manages **AHR Expo-Mexico**,

Since 1930, the **AHR Expo** has been the HVAC/R professional's leading resource for new products, new ideas and new services. It's a hands-on, interactive event that showcases a wide spectrum of equipment, systems, and components. This unique industry forum creates a dynamic learning environment unequalled in size and scope by any other industry event.
